Statewide Assessments

The Louisiana Department of Education has scheduled statewide assessments (LEAP) for April 30-May 4 for grades 3-5. The 5th grade students will be taking a computer based test. The LEAP tests are fully aligned to the Common Core State Standards and will be used in English Language Arts (ELA), Math, and Social Studies. These tests will be paper pencil format. The Science test will be a field test. It will be a computer based test. These tests are very important! Please note:

COMMUNITY COFFEE/BOX TOPS

We will be collecting Community Coffee labels and Box Top labels. The deadline for labels is Friday, April 27. To qualify for the incentive each child must complete 2 Box Tops sheets. We will use this money to beautify our campus, purchase equipment for the playground, and fund other expenditures not funded through other sources. "Cash from Trash" really works! Please continue to help us with this easy fundraiser.
