To Whom It May Concern:

The holiday season is often a time of great joy, a time to spend with friends and family, and a time of thanks. For some families, however, it is a time of great need. That's where you come in. We are asking for your help in making Santa's Cajun Christmas a reality. On December 10, 2011 Santa's Cajun Christmas will give 80 children in need an opportunity to have a memorable holiday experience they may otherwise not receive.

We are asking that your company consider making a monetary donation. We will use the funds to purchase a gift(s) from a wish list that each child has written to Santa. The funds will also help supply all the necessary provisions to make this event happen (decorations, costumes, etc.). Please make checks payable to Santa's Cajun Christmas and mail them to the address above. Please label the envelope in care of John Gallet.

Print and television media will be invited to the event. The event will be held at Rene Rost Middle School Gym in Kaplan, La.

Thank you for your consideration, as well as your time in reading this letter. If you have any questions, please don't hesitate to call me at (337)523-0119.

For those of you, who donated to Fantasy Flight last year for the Vermilion Parish children, please be advised that we are no longer affiliated with Fantasy Flight and that Santa's Cajun Christmas will be hosting the event for the children of Vermilion Parish only.

The Erath Beta and Kaplan Beta Club, under the sponsorship of Amy Noel and Eva Lange, are playing a key role in making this event happen for the children

Please help us in making these children's holiday wishes come true.

Thank you,

John Gallet
